Attn: Rob Deutschmann

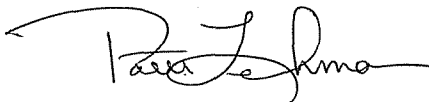

Dear Rob,

Thank you so much for your very generous donation towards our Lidz on Kidz program. The money donated will be allocated towards the purchase of bike helmets for children in need in our community and to allow us to go into area classrooms and talk to kids about wearing the gear, protecting their heads, helmet fitting and playing safe.

Thanks again for your kindness!

Please find enclosed a receipt for income tax purposes.

Sincerely,

Patti Lehman
Executive Director
