Dear Sirs

Please accept our sincere thanks for the recent donation you made to our Association.

We try very hard to financially help new amputees with the purchase of their artificial limb and the socks and other items they need to help them wear the limb. We depend on the income from our twice monthly Bingo's, memberships and donations to do this. Your donation will directly help a new amputee get back on his/her feet.

Again, thank you so much for thinking of us.

Regards

**Elsie Robins
Membership Coordinator
The Niagara Amputee Association**
