

KITCHENER - WATERLOO
ART GALLERY

May 19, 2010

Deutschmann & Associates
10 Duke Street West
Kitchener ON N2H 3W4

Dear Deutchmann & Associates,

Thank you for your recent donation to the Kitchener-Waterloo Art Gallery. We very much appreciate your financial support, as well as your awareness of the importance of providing a full range of cultural services to our community.

We sincerely appreciate the support of community members like you. We especially value your participation in the year ahead, as we work together to strengthen the cultural and social fabric of our region, using visual art as the catalyst that links the arts with science, social commentary, history and other disciplines. Your gift of membership in the KW|AG will ensure the Gallery's success and help creativity, innovation, and excellence continue to flourish in our community.

Because of community leaders like you, this Gallery is enjoying a wonderful renaissance which builds on the accomplishments of the past, led by a focused and thoughtful curatorial program that has local meaning and significance. I hope that over the next 12 months you and your employees will take full advantage of all that we have to offer.

As a Gallery supporter you will receive regular mailings of our newsletter. If you would like additional copies, please let us know and we would be happy to arrange that for you. Perhaps you would also consider directing your employees' attention to our website at www.kwag.ca, for full details on all our exhibitions, programs and services.

Thank you again for your kind donation. A receipt for income tax purposes is enclosed.

Sincerely,

Alf Bogusky, Director General
Kitchener-Waterloo Art Gallery
